FLU CLINIC DETAILS:

Vaccinations administered by Preston Hall, PharmD

This free service is available for all employees

If you have the company BCBS health insurance,
please bring your ID card or card information

If you do not have the company insurance,
you may still receive a free flu shot at either of these events

If you cannot attend, you may also visit a local pharmacy, grocery
store, health clinic or doctors office to receive a flu shot

Please check coverage and payment details before you go
